MINISTRY OF COMMERCE

NOTIFICATION

New Delhi, the 29th November 1966

S.O. 3608.—Whereas the Textiles Committee has established standard specifications for cotton mill-made cloth and cotton yarn for the purpose of export, and

Whereas the Committee has recommended to the Central Government that cotton textiles which do not conform to the standards established by it should not be allowed to be exported, and whereas the Central Government is of opinion that such textiles should not be exported,

Now, therefore, in exercise of the powers conferred by sub-section (i) of section 17 of the Textiles Committee Act, 1963 (41 of 1963), the Central Government hereby prohibits the export from India to any foreign country the material defined under regulation 2(d) of the Mill-made Cotton Cloth Inspection Regulations, 1966, and under Regulation 2(a) of the Mill-made Cotton Yarn Inspection Regulations, 1966, unless the material is covered by a certificate issued under Regulation 12 of the former regulations and Regulation 9 of the latter regulations:

Provided that, notwithstanding the above prohibition, if a genuine order is received from abroad for supply of low quality cloth or yarn which does not pass the minimum standards required for the issue of a certificate, and if an officer nominated by the Textiles Committee in this behalf is satisfied that the bonafides of such order are beyond doubt the export of such material may be authorised by him even though the quality of the material is below the compulsory minimum standards:

Provided further that, with a view to avoid interruption of trade, during a transitory period of six months from the date of this notification, if any material is offered for inspection to the Textiles Committee but the Commitee is unable to

arrange for and complete such inspection within a period of one week from the date on which the inspection is offered, such material may be authorised by an officer nominated in this behalf by the Textiles Committee to be exported without inspection:

Provided further that material that has been packed before 1st December, 1966 may be allowed to be exported without inspection by the Textiles Committee and issue of certificate for a period of six months from the date of this notification:

Provided further that material which is subjected to inspection by private inspection agencies at the specific stipulation of foreign buyers may be allowed to be exported until the 31st day of December, 1966 without further inspection and certification by the Textiles Committee.

2. This Notification shall come into force on the 1st December, 1966.
